

EDUCATION FOR EMPLOYMENT

341.2

The District shall provide access to an education for employment program, which serves as an umbrella for a variety of inter-related initiatives that address individualized learning, academic and career planning, career and technical education, and college and career readiness. Under state law, the program must minimally incorporate all of the following:

- Guidance and counseling services
- College preparation
- Technical preparation programs designed to gain advanced standing in a technical college district's associate degree program
- A youth apprenticeship program or other job training and work experience opportunities
- Instruction in skills relating to employment
- Applied curricula

As part of its education for employment program, the District shall provide age and developmentally-appropriate academic and career planning services, along with related information and opportunities, to students in grades 6 through 12 with the intent and purpose of:

- Increasing student engagement with school and learning by actively involving students in setting goals and planning for their own futures;
- Increasing students' self-awareness of their own strengths and interests;
- Increasing students' awareness of and preparation for different postsecondary options, including postsecondary education and training that leads to careers;
- Providing individualized support, appropriate to the student's needs, such that all students have appropriate access to academic and career planning services, including but not limited to students with disabilities, English learners, at-risk students, gifted and talented students, students who are in alternative programs or who have other program or curriculum

modifications, and students who have transferred between different schools or programs.

The District's education for employment program shall be guided by a long-range program plan that is developed, monitored, and updated if deemed appropriate under the primary direction and supervision of the Director of Future Ready Learning, with the participation and input of District staff and community stakeholders.

The Director of Future Ready Learning is responsible for providing the required program updates to the School Board. The Director of Future Ready Learning shall also have oversight responsibility regarding the District's overall compliance with statutory and regulatory requirements that relate to the District's long-range education for employment plan and the implementation of the District's education for employment program.
