

Using the Bookbag in Destiny Discover

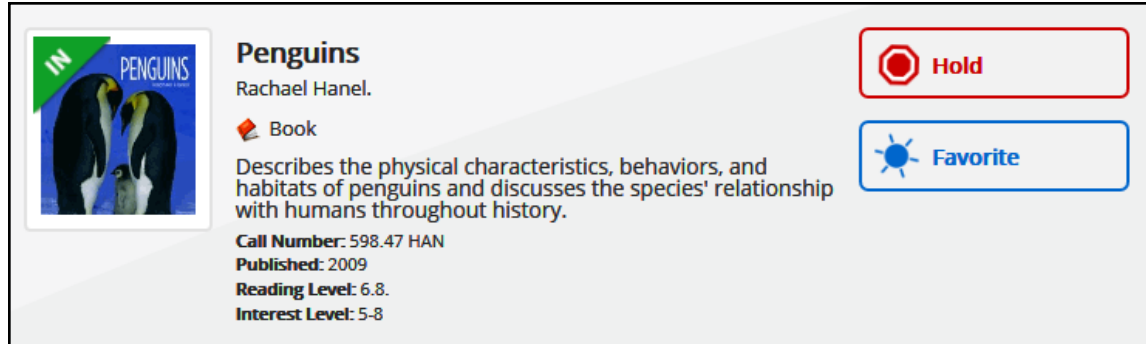

The Destiny Discover™ Bookbag lets you access information and resources you might want to come back to later—like your eBook checkouts, checkout history, resources you’ve marked as favorites, and your Notebook.

Favorites

Save a list of books, eBooks, web resources, and other materials to support projects or for personal reading.

To add a resource to your Favorites list, click **Favorite** next to the title in the search results or from the title’s details.

Depending on a title's availability and material type, you can complete the following actions for items on your Favorites list:

- Place a hold on a book.
- Check out, open, or return a Follett eBook.
- Check out, play, or return a Follett Audiobook.
- Open an online resource.

Bookbag: My Favorites (3) Sort by: Title A-Z

Notebook

Access your Notebook to add, view, and edit notes, highlights, and bookmarks from all Follett eBooks you have read. You can see all of your notes, even when the eBook is not available. For more information on how to use your Notebook, see the *Getting Started with the Destiny Discover eReader* quick reference guide.
