Altoona Maker Movement Growing Stronger

Altoona, WI — For three years running, the School District of Altoona will host a Maker Fair on April 20, from 3:30-6 p.m. at the Altoona Intermediate and Middle School, 1903 Bartlett Avenue.

Start in the Fab Lab, Pedersen Commons or lower gym, your choice - but you won't want to miss a thing!

The 3rd annual fair will showcase projects that our students have made, and as part of our strategic plan¹ and to demonstrate these concepts at a higher level of learning, the event also features participation from UW-Eau Claire and CVTC, Realityworks, 3M, Applied Data Consultants, Curt Manufacturing, the Children's Museum of Eau Claire, LE Phillips Memorial Public Library, Western Wisconsin Modelers Association, and more.

Event Contact: Bill Steinke, Technology Education Teacher

###

Come learn about the "Maker Movement,"
a tech-influenced do-it-yourself community
of learners and makers.

¹ *Goal 5: Build trusting relationships and partnerships with the community. Objective 2: Develop relationships with other educational institutions*
